

REVIVE THE GIVING TRADITION OF PROPHET MUHAMMAD, PBUH

VISION: *Our Vision is that all Mosques and Islamic Centers who collect Zakat and Sadaqa will join Bait ul Mal with the intention to revive the tradition of Prophet Muhammad, peace and blessings be upon him. He established a Central Collection and Distribution Center in Medina, which provided benefit to all members of the community. This model was so successful that by the time of Caliph Omar there was no one left to receive Zakat and Sadaqa!*

1. EASE OF APPLICATION: Applications are not based on which mosque you attend, which madhab you follow, what language you speak. Our service is open to all Muslims who live in the Puget Sound area. To apply for assistance, you simply complete a confidential form and your application will be reviewed promptly. You may elect to pay back the funds and give back to your fellow brothers and sisters in need, when you become able.

2. DIVERSE RECIPIENTS: At this time, Bait ul Mal is helping organizations like *Sisters of the Sunnah, Al-Shifah Clinic*, and other individuals on a monthly basis. In addition we help the *'Day of Dignity'* annual program for the local community, and the *Interfaith Taskforce for the Homeless*.

3. SUFFICIENT ASSISTANCE: Most Masjids and Islamic Centers help on a one time basis. Bait ul Mal continues to help individuals and families on an ongoing basis until they are self sufficient. This centralized system will prevent the same person who needs assistance to go *from one Mosque to another*.

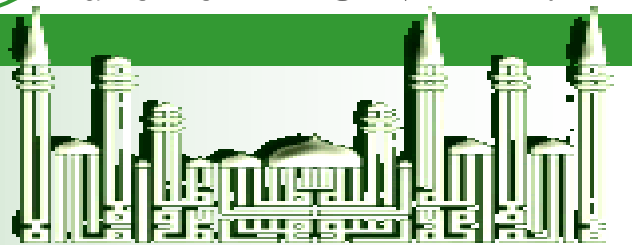

4. TRANSPARENCY: Bait ul Mal offers total accountability and transparency in their processes and work. Go to our Web site www.baitulmal.org and see 'About us' to review financial records.

5. NON-PROFIT STATUS: 501(c)(3) tax exempt status approved EIN #41-2213255. Your donation is tax-deductible to the extent the law provides.
